ACTIVITY REPORT

EVENT NAME: EXPERT TALK ON CAREER OPPORTUNITIES IN AI AND DATA SCIENCE

SOCIETY NAME: GNDEC DATA SCIENCE CLUB

Type of Event: Expert Talk

Date: 12th February 2026

Time: 1:00 PM onwards

Venue: MBA Seminar Hall, MBA Department

Organized by: Data Science Club, GNDEC

BRIEF DETAILS OF EVENT:

The Expert Talk on Career Opportunities in Artificial Intelligence and Data Science was organized with the aim of familiarizing students with emerging technologies and their career prospects. The session was delivered by **Dr. Sarabjot Singh Anand**, Co-Founder and Chief Data Scientist at **Tatras Data**, New Delhi. The talk focused on the growing importance of AI and Data Science in today's technology driven world and highlighted how these domains are transforming various industries such as healthcare, finance, education, and business analytics.

During the session, the speaker explained the fundamentals of Artificial Intelligence and Data Science in a clear and student friendly manner. He discussed various career opportunities available in the field, such as Data Scientist, Data Analyst, Machine Learning Engineer, and AI Researcher. The importance of core skills including programming, statistics, analytical thinking, and hands-on project experience was emphasized.

The speaker also shared industry trends, practical use cases, and professional experiences to help students understand how AI and Data Science are applied in real-world scenarios. Guidance was provided on career planning, continuous learning, internships, certifications, and ethical use of AI technologies. The session concluded with an interactive discussion, where students actively participated and clarified their doubts regarding future career paths in AI and Data Science.

Format:

The event included:

- **Introduction:** The event began with a brief introduction by the event coordinator, welcoming the participants and introducing **Dr. Sarabjot Singh Anand**, Co-Founder and Chief Data Scientist at **Tatras Data**, New Delhi. The objective and theme of the expert talk were briefly outlined.
- **Guest Speaker Session**: The guest speaker delivered an informative session on career opportunities in Artificial Intelligence and Data Science. He discussed key concepts, industry trends, required skills, and various career roles, supported by real-world examples and practical insights.
- **Interactive Q&A:** The event concluded with an interactive Q&A session, where students clarified their doubts related to career paths, skill development, and future scope in AI and Data Science.

Highlights:

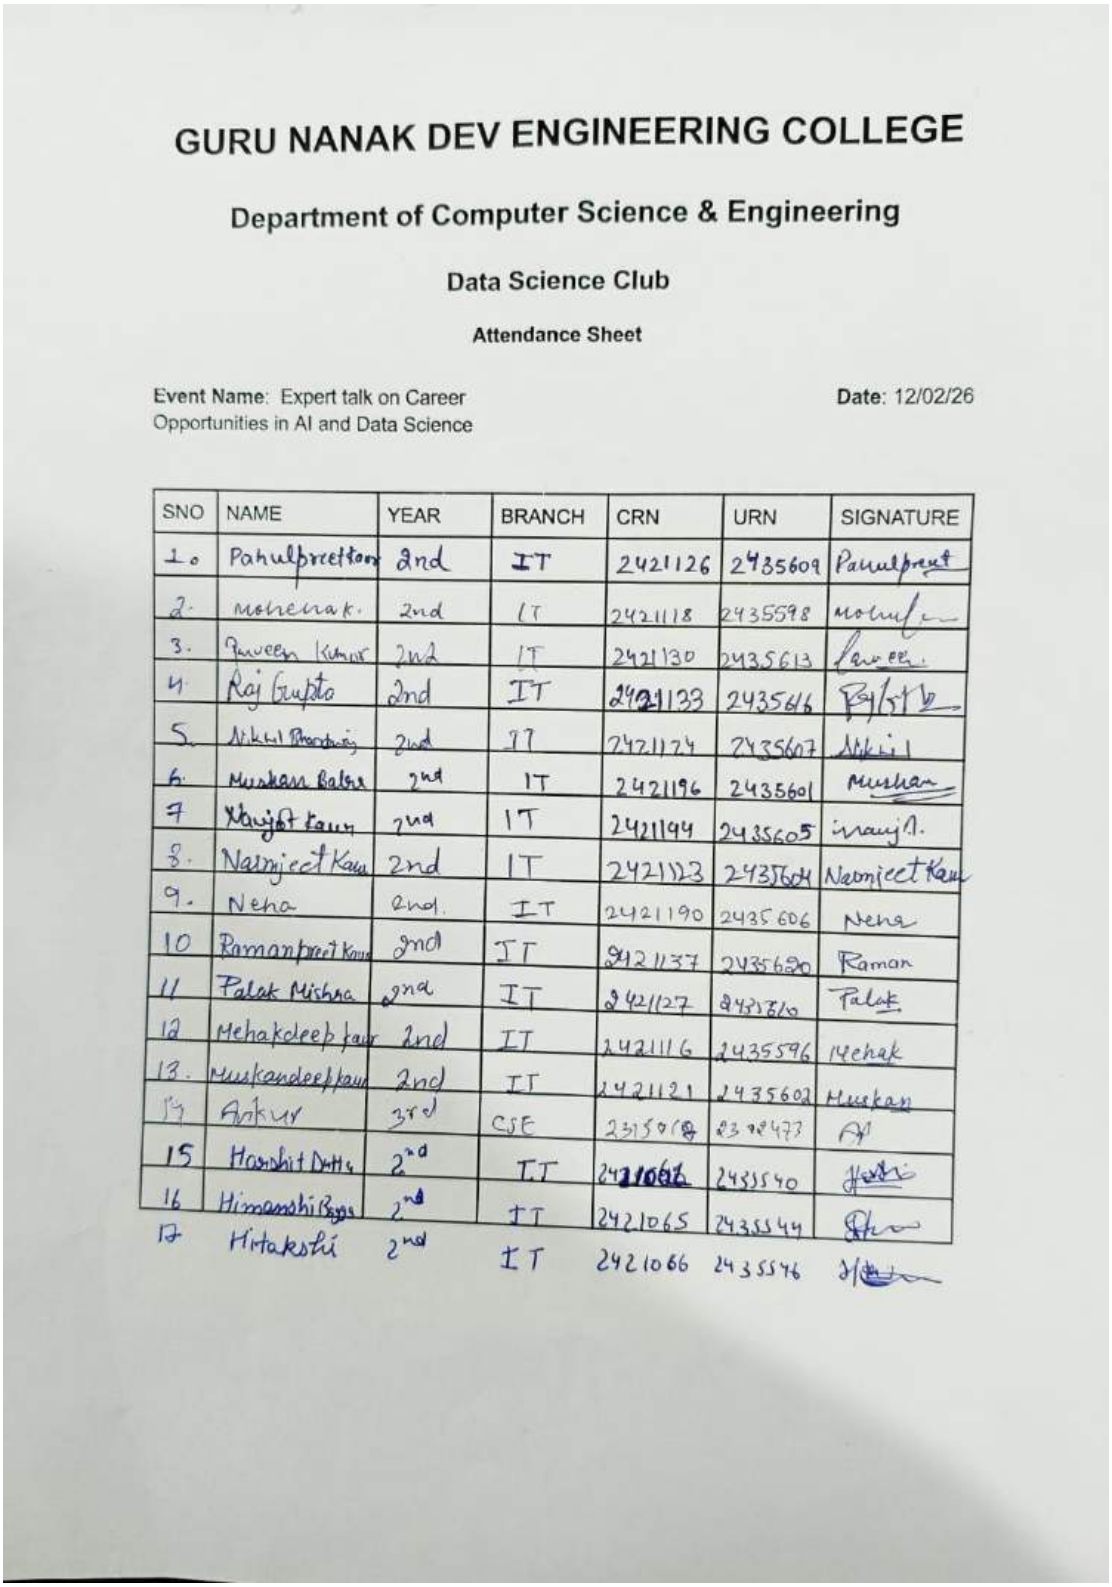

- **Number of Participants:** 64
- **Experts:** Dr. Sarabjot Singh Anand
- **Learning Outcome:** Enhanced awareness about career opportunities in Data Science and AI.
