About the C.O.D.E. Club

C.O.D.E. Club is a departmental club of Computer Science and Engineering. It works under the guidance of Prof. Harminder Kaur (Assistant Professor at GNDEC, Ludhiana), Prof. Kawaljeet kaur (Assistant Professor at GNDEC, Ludhiana) and Prof. Nancy (Assistant Professor at GNDEC, Ludhiana). The club is responsible for conducting Technical events, promoting the new technology and helping students learn teamwork.

VISION AND MISSION

● The C.O.D.E. Club strives to promote student's overall development.
● The goal of this centre is to improve student's communication skills, interpersonal skills, problem solving skills, and general personalities.
● To bring out students' hidden talents outside of the classroom and demonstrate how the real world operates.
● Our vision is to generate industry leaders rather than just engineering graduates and ensure that our students have a unique learning experience that equips them to be true professionals.
