

Activity Report

(Event organized by GNDEC Data Science Club)

Name of the Event: Seminar on “Data Analytics and Information Security”

Date & Venue of Event: 03rd November, 2022, Seminar Hall-04, Department of Computer Science and Engineering

Data Science Club of GNDEC organized expert lectures as one of its initiative towards spreading awareness about various aspects of Data Analytics and Information Security on 03/11/2022 from 2pm to 4pm . Eminent industry experts *Mr. Ravi Mittal, Data Scientist, TatraData, New Delhi & Dr.Sumit Kumar, Scientist, DRDO, New Delhi* shared their expertise on the topic "*Data Analytics and Information Security*". Students from different departments of the college participated in the event and got benefitted from the expert lectures. Advance topics related with Information Security and Data Analytics in modern world, AI Case Studies etc. were presented. Mr.Ravi Mittal, Data Scientist shed light on the procedure of Data Analysis with python language. He also discussed various challenges faced by data scientists during data analysis activities. Dr.Sumit Kumar, Scientist presented various information security techniques with their applications and challenges in real world scenario. Participants discussed their queries with experts and gained knowledge about Data Science aspects. This type of event always play crucial role in enhancing the knowledge of students and motivate them to gain expertise. The participants will be able to utilize the knowledge for their upcoming projects and will be able to help the society with the use of data analytics.
