- **Name of the Student In-Charge:** Gurnoor Kaur
- **Name of the Faculty Coordinator:** Dr. Hardeep Singh Kang, Dr. Sita Rani

Overview

The CSI Student Chapter of Guru Nanak Dev Engineering College (GNDEC), Ludhiana, successfully organized the debate titled *"AI Vs Humans"*. The event aimed to encourage critical thinking and discussion on the evolving role of Artificial Intelligence in modern society.

Session Highlights

The debate witnessed enthusiastic participation from students presenting arguments both in favor of and against AI dominance.

Key discussion themes included:

- Ethical implications of Artificial Intelligence
- Automation and job displacement
- Human creativity vs Machine intelligence
- AI in healthcare, education, and governance

Participants demonstrated strong analytical skills, research depth, and confident public speaking.

Event Impact and Participation

The event saw active engagement from 51 participants. The debate fostered intellectual curiosity and encouraged students to think beyond textbooks and explore real-world technological implications.

Closing Remarks and Acknowledgments

The event concluded with words of appreciation from the faculty coordinators, who commended the organizing team and participants for making the debate a success.

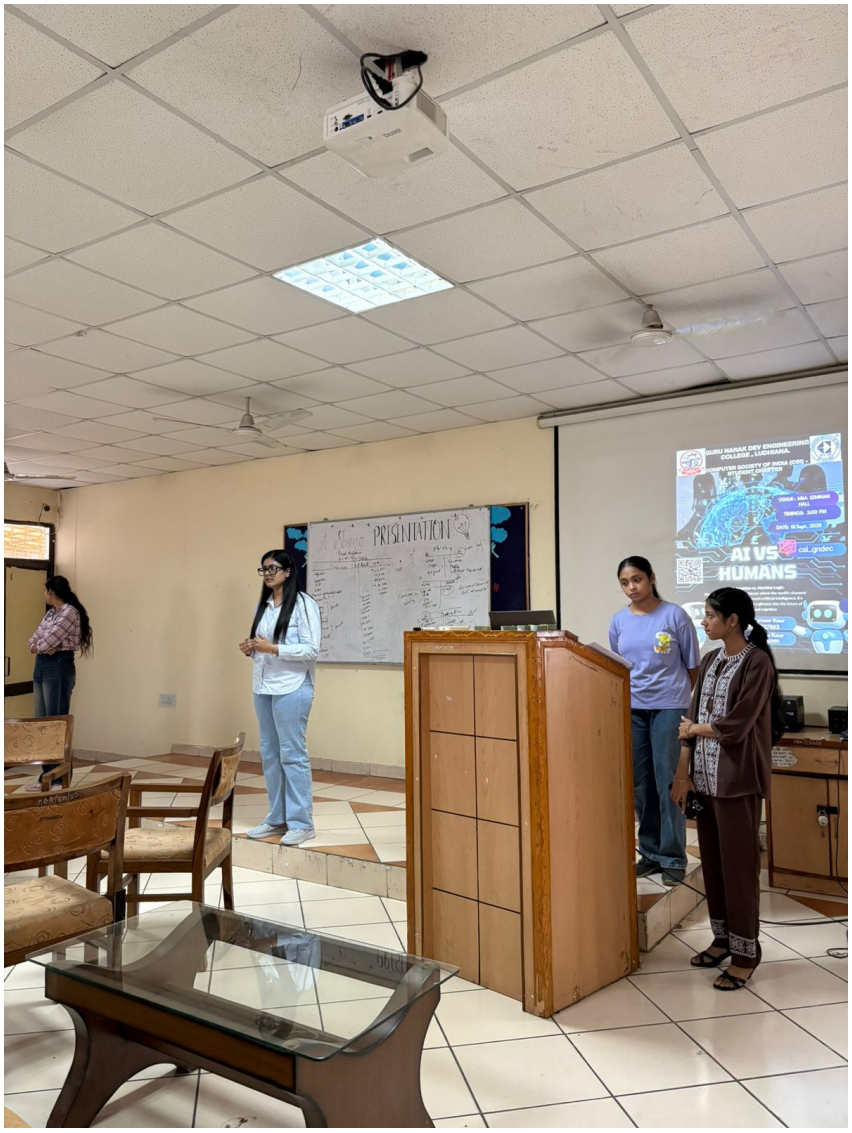

Conclusion

The AI Vs Humans debate was a highly engaging and thought-provoking session. The CSI Student Chapter once again demonstrated its commitment to organizing intellectually enriching events for students.
