

1/4

Guru Nanak Dev Engineering College, Ludhiana
Computer Science & Engineering Department

Ref. No.: CE/4357

Dated: 2/12/25

Date Sheet for Improvement Test (July-Dec'2025)

Date	Timing & Venue	B.Tech 3 rd Semester	Teachers Duty
04/12/2025	11:00- 12:30 S216	Object Oriented Programming (CCS101)	All Faculty members teaching OOP are responsible for conducting a common Improvement Test for their respective subject.
09/12/2025	11:00- 12:30 Computer Centre (PG Block 1 st Floor)	Computer Architecture (CCS103)	All Faculty members teaching CA are responsible for conducting a common Improvement Test for their respective subject.
09/12/2025	2:00- 3:30 Computer Centre (PG Block 1 st Floor)	Applied Mathematics (BSCS101)	All Faculty members teaching APPLIED MATHEMATICS are responsible for conducting a common Improvement Test for their respective subject.
10/12/2025	2:00 – 3:30 Computer Centre (PG Block 1 st Floor)	Digital Electronics (ESCS101)	All Faculty members teaching DE are responsible for conducting a common Improvement Test for their respective subject.
10/12/2025	11:00- 12:30 Computer Centre (PG Block 1 st Floor)	Data Structures (CCS102)	All Faculty members teaching DS are responsible for conducting a common Improvement Test for their respective subject.

* Improvement Test will be conducted from Full syllabus

Guru Nanak Dev Engineering College, Ludhiana
Computer Science & Engineering Department

Ref. No.: 48/4357

Dated: 2/12/25

Date	Timing and Venue	B.Tech 5 th semester	Teacher Duty
03/12/2025	11:00- 12:30 Hardware Lab / DBMS Lab	Artificial Intelligence (PCCS-108)	All Faculty members teaching AI are responsible for conducting a common Improvement Test for their respective subject.
04/12/2025	11:00- 12:30 S217	Formal Language & Automata Theory (PCCS-110)	All Faculty members teaching FLAT are responsible for conducting a common Improvement Test for their respective subject.
04/12/2025	2:00- 3:30 Hardware Lab / DBMS Lab/ S217/ S218	Advanced Computer Networks (PECS-107) / Statistics for Data Science (PECS-113) / / Information Retrieval (PECS- 119) / System Programming (PECS-125)	All Faculty members teaching ACN/SDS/IR/SP are responsible for conducting a common Improvement Test for their respective subjects.
05/12/2025	9:00 -10:30 S217	Database Management Systems (PCCS-109)	All Faculty members teaching DBMS are responsible for conducting a common Improvement Test for their respective subject
08/12/2025	11:00- 12:30 S217	Design and Analysis of Algorithms (PCCS-111)	All Faculty members teaching DAA are responsible for conducting a common Improvement Test for their respective subject.

For Organisational Behaviour MCI-103/ Constitution of India MCI-102 , Students should contact Subject Teacher regarding timing and venue for conduct of Improvement Test.

** Improvement Test will be from Full syllabus*

114

Guru Nanak Dev Engineering College, Ludhiana
Computer Science & Engineering Department

Ref. No.: CS/4357

Dated: 2/12/25

Students should contact Subject Teacher regarding Timing and Venue for conduct of Improvement Test.*

B.Tech 7th semester
Preparation and Analysis of Data (PECS-133)/Data Warehouse and Data Mining (PECS-115) /Computer Vision (PECS-121)/ Design and Analysis of Advanced Algorithms (PECS-132)
Applied Cloud Computing (PECS-135) /Soft Computing (PECS-122)/ Web Technologies (PECS-128)
OE* Entrepreneurship Practices (OEME-112)/Energy Efficient Machines (OEEE-106)/Environmental Impact Assessment (OECE-105)/Artificial Intelligence (OEIT-104)

** Improvement Test will be from Full syllabus*

2/12/25

Computer Science & Engineering Department

Ref. No.: CS6/4357

Dated: 2/12/25

Date	Timings	M.Tech. 1st semester	M.Tech 3 rd Semester	Teacher Duty
03/12/2025	11:00-12:30 Dept Library	Software Engineering Methodologies (MCS-123)	-----	Faculty Members teaching respective subjects should conduct the Improvement Test.
04/12/2025	11:00-12:30 Dept Library	Advanced Data Structures (MCS-102)	Smart Sensors and Internet of Things (MCS-156)	
04/12/2025	2:00 – 3:30 Dept Library	Mathematical Foundations of Computer Science (MCS-101)	-----	
08/12/2025	11:00-12:30 Dept Library	Machine Learning (MCS-111)	-----	
08/12/2025	2:00 – 3:30 Dept Library	Research Methodology and IPR (MRM-101)	-----	

For English for research paper writing (MAC101), OE* Waste to Energy, Students should contact Subject Teacher regarding timing and venue for conduct of Improvement Test.

** Improvement Test will be from Full syllabus*
