Techno' Charades

A Tech Based Fun Event

Date: 12th October 2022

Platform: TCC Seminar Hall

Duration: 2:30 to 4:30 PM

Total Participants: 55

Computer Society of India (Student Chapter), Guru Nanak Dev Engineering College organized a fun-based technical event i.e., Techno' Charades on 12th October 2022. Techno' Charades, the inaugural event for the academic session 2022-23, was organized for the awareness about the society among the students.

The event was executed in two rounds. The first round was a team event and, in each team, there were five members. Out of the five members, one member had to enact the name of a movie with actions and rest of the team members had to guess the name of movie. Aspect needs to be emphasized is, only movies in which latest ICT technology is used, were added in the bucket. For each correct answer five points had been allotted to team. In first round, total eleven teams participated, out of which four teams with the highest score qualified for the second round.

In the second round, all the participants of the winning teams had to play individually. It was a rapid-fire round. In this round the, logos of the latest IT, Software, and other companies had to be guessed by the students.

Student -Convener
