

# ACTIVITY REPORT

**EVENT NAME:** SPINOVATE

**SOCIETY NAME:** *GNDEC DATA SCIENCE CLUB*

**Type of Event:** Spinovate (Stall at Apex Fair)

**Date:** October 25, 2024

**Timing:** 9:00 am onwards

**Venue:** Lipton Ground, GNDEC, Ludhiana

## EVENT OVERVIEW

The Apex Fair was an exciting event that brought together various clubs and communities to showcase their expertise and engage attendees through interactive activities. Our *Data Science Club* was proud to participate in the fair by setting up a stall to highlight the fascinating world of data and technology. We organized a series of engaging activities to captivate the audience and demonstrate the creative and analytical aspects of data science.

## ORGANIZED ACTIVITIES:

- **Tech Doodle Activity:** Participants were challenged to draw an image based on a given concept and have their friends guess what they drew. This activity combined creativity with quick thinking.
- **Gen AI Activity:** Attendees were invited to spot differences between real images and AI-generated counterparts, showcasing the nuances of AI image generation and perception.
- **Myth Busters Activity:** Participants were tasked with distinguishing facts from myths to debunk common misconceptions, promoting critical thinking and informed decision-making.
- **Data Decode Activity:** In this activity, participants turned raw data into meaningful graphs and insights, emphasizing the importance of data visualization and interpretation in the field of data science.
- **Pixel Puzzle Activity:** Attendees tested their visual skills by guessing the mystery image, which was displayed in pixelated form. This fun activity highlighted the significance of resolution and pattern recognition.

## EVENT OBJECTIVES

- To create awareness about data science and its applications.
- To engage attendees with interactive and educational activities.
- To showcase the creative and analytical facets of data science.
- To build interest and enthusiasm for joining the Data Science Club.

## CONCLUSION

Our participation in the Apex Fair was a resounding success. The event not only provided a platform to display our club's talents but also allowed us to interact with a diverse audience and spark curiosity about data science. We look forward to organizing more such engaging and educational events in the future.
