

GURU NANAK DEV ENGG. COLLEGE, LUDHIANA

Department of Computer Science & Engineering

Information for Students

This is for the information of final year students (Morning and Evening) of CSE department that their industrial training presentations will be held from **04/06/2018** to **06/06/2018** and date of external viva-voce is **08/06/2018**. The assessment would be based on the Rubrics for six months industrial training.

The students are directed to fill the feedback about the industry at link <https://goo.gl/forms/Aq07KVpYMPfvbBaj1>

Further, the Students are directed to upload their files (Final Project File + Source Code + Description of project with weakness and future scope) to Gitlab (<http://202.164.53.125/gitlab/>). Please write a README about the project and Tools Used. If you have worked in group then you may create a team and write in README about the team.

Content required at the time of internal presentation in yellow envelope:

- Online Blog
- Synopsis
- Mid Term
- Final report
- CD of source code and Project Report
- Presentation
