(Event organized by GNDEC Data Science Club)

Name of the Event: International Webinar on “Artificial Intelligence with Business Analytics”

Date of Event: 14th April, 2023 (Online Mode)

Guest Speaker: Mr.Davinder Singh Kohli, Chief Digital Officer, CREOSPAN, Chicago (USA)

Data Science Club of GNDEC organized International webinar as one of its initiatives towards spreading awareness about recent advancements in Artificial Intelligence and Data Science allied fields. This webinar was organized in collaboration with American Association of Engineers of Indian Origin (AAEIO), which is an umbrella organization for engineers to promote and to innovate recent engineering concepts.

Webinar began with welcome speech delivered by Mr.Rajinder bir Singh Mago, Convener of the event. He welcomed Dr.Shajpal Singh, Principal GNDEC, Mr.Bladson Varghese President AAEIO and participants. Mr.Bladson Varghese spoke about the achievements and developments of AAEIO.

Mr.Davinder Singh Kohli discussed recent advancements in Artificial Intelligence and data analytics. He spoke about various innovative projects which are in pipeline of development in different countries. As the field of AI and Data Analytics is evolving at a faster rate than one can imagine, this webinar proved to be very beneficial for students of UG and PG classes of various streams. Main objective of one day webinar was to enlighten students about various features and challenges of the AI applications around the world. Total 106 students from different departments participated in this event and large number of students asked their queries regarding AI applications and their implications. Webinar ended with vote of thanks.
