Techno' Charades

A Tech Based Fun Event

Date: 12th October 2022

Platform: TCC Seminar Hall

Duration: 2:30 to 4:30 PM

Total Participants: 55

Computer Society of India, Guru Nanak Dev Engineering College has organized a fun-based tech event Techno' Charades on 12th October 2022. The event was basically designed for providing the awareness regarding the society among the students.

The event was divided into two rounds. The first round was a team event, in each team there was five members. Out of the five members one must enact the name of movie with their actions and rest team members must guess the name of movie. For each correct answer five points had been allotted to team. In first total eleven team had been participated out of these four teams with the highest point had been qualifies for second round.

The second round was individual playing round in which everyone must guess the logo of company or software. The top three position has been provided to the students who had guessed the greatest number of logos correctly.
