

Department of Computer Science & Engineering

Process of defining Vision and Mission of Department

The department established the Vision and Mission through a consultative process involving the stakeholders of the department, the future scope of the department, and the societal requirements. In establishing the Vision and Mission, following steps are followed:

Step 1:	Vision and Mission of the Institute are taken as basis.
Step 2:	Consultative view and feedbacks are taken from all the stakeholders such as students, Employers, Parents, Members of Faculty and Alumni of the Department.
Step 3:	Incorporating standards of Professional bodies.
Step 4:	The accepted views are analyzed and reviewed in BOS meeting to check consistency with the Vision and Mission of the institute.
Step 5:	The Validated Vision and Mission are published and process of same is shown in the figure below.
