

**Guru Nanak Dev Engineering College, Ludhiana**  
**Department of Computer Science & Engineering**

Date: 16 -01 -2018

It is mandatory for all the **final year** students to maintain their project progress report in their respective project Lab. The format for project progress report is given online on department web page. The project progress report is to be checked in Project Labs for maintaining their project's progress. Students are also required to prepare a gantt chart of their project schedule, to be attached along with progress report.

Each student is required to meet the allotted guides at least twice a week and make an entry into the project progress report. Guides will provide the feedback of students fortnightly to project coordinators.

Tentative schedule of Major Project Viva-voce is as:

S.No.	Description	Period
1	Freezing Project Title	16-20 January 2018
2	Synopsis and Viva Voce	19-21 February 2018
3	Mid Term Report and Viva Voce	19-22 March 2018
4	Final Presentation and Viva Voce	23-27 April 2018
